

Troop 82 COVID-19 Camp-in Scorecard

Name: _____ Patrol: _____

This is a great opportunity to gain some camping nights, practice our scout skills, and HAVE FUN! We are going to have a camp-in on the weekend of 5-29-20 – 5-31-20. A Camp-in is a camping adventure that we all go on at the same time, but in our own backyards. We have this scorecard to keep track of the things we do on our Camp-in. You are encouraged to take pictures and share them. Aside from camping nights, most of these items are also rank requirements so be sure to document what you do so we can get it signed off. Your Scout Handbook has a wealth of information to help you with these tasks.

There are some rules for the camp-in.

- 1) A scout is trustworthy, so the points scored are on the honor system.
- 2) For nights to be earned, you must spend the entire time (day and night) outside with one exception. Please use the bathroom in your house to, um, er, go to the bathroom. The neighbors do not want to see you digging any cat holes. Aside from that everything else (including washing, brushing teeth, etc.) must be done as you would while on a regular Troop camp-out, outside. If you cannot camp outside, setting up inside and following these rules will suffice. (Outside is preferred)
- 3) Families are encouraged to camp together. Siblings can camp and tent together. However, it must be family only at each camp site.
- 4) Points earned will be compared with the members of your patrol and a prize will be received for the most points in each patrol.
- 5) At the end of the weekend, email your completed scorecards to the Scoutmaster for tabulation.

Task	Points
Create a menu and shopping list for your weekend. Be sure to plan a balanced menu in accordance with the food pyramid. You must include a copy with your scorecard. (10 pts)	
Pitch a tent and spend the night in it (5 pts each night)	
Construct a shelter and spend the night in it (Bivy sacks do not count) (10 pts each night)	
Simulate a backpacking trip by hiking around your neighborhood with your fully packed backpack and all gear necessary for your “weekend trip” (10 pts each ½ mile) Pick up any trash and dispose of it properly (1 pt for each piece)	
Build a campfire (5 pts)	
Cook a meal (5 pts each meal, 1 bonus pt for each meal cooked over a campfire)	
Build a useful camp gadget (10 pts)	
Identify and photograph native plants at your campsite (5 pts each)	
Identify and photograph native animals (insects count) at your campsite (5 pts)	
Bonus rain points if you forget to turn off your irrigation system and get “rained” on and stay out at the camp-in anyway (or if it really rains!) (25 pts)
